The Highland Park Beautification Awards are designed to recognize and honor those who have made a substantial contribution through clean-up and beautification activities in the city of Highland Park. Our goal is that recognition of the work these individuals, block clubs and businesses have done to beautify their properties in the city will encourage others to do the same. This project will be another piece in the on-going effort in Highland Park's "Return to Excellence." This is the first year of what we anticipate to be annual Beautification Awards.

Three Individual Homeowner awards will go to residents **who** have made improvements to their properties that improve the visual landscape of their neighborhoods. Three Block Club Awards will go to Block Clubs for an outstanding community cleanup or a beautification project. Two Business Awards will go to businesses in the city for outstanding landscaping, plant use around buildings or other improvements to their building facade. The individual resident and block club awards will include a gift card from Home Depot and a certificate. The businesses will be awarded a plaque that can be displayed in their lobbies.

The deadline for nominating someone/applying for an award is July 30, 2010. The nominated projects will be evaluated by a Selection Committee made up of representatives of city government, Budco Corporation, HP Devco, Inc. The Highland Park Illegal Dumping Task Force, the Highland Park Business Association and Home Depot. The winners will be presented their Beautification Awards at the August 16, 2010 Highland Park City Council meeting.
