How to Complete this Form

PROPERTY:

Provide the address of the property

Is the property residential, commercial, apartment, governmental, or some other category?

DESCRIPTION:

Describe the location, size, and materials used

Document if this property is cut and capped at present

APPLICANT:

Provide the name, address, phone number, and master plumber license of the applicant

OWNER:

Provide the name, address, and phone number of the property owner

TYPE:

Is this a new connection (for a new development) or a reconnection of a property formerly in use?

Is the connection for water, sewer, or both?

FEE:

Enter the fee for the connection. Standard fees are \$2,700 for Water and \$500 for Sewer. These fees cover the costs of processing the application, inspecting the work of the master plumber, recording the connection in our records and maps, water quality and laboratory work, administration, and the like.
