The City of Highland Park is committed to removing blight from our community and preparing the City for future development. As a part of this commitment the Administration has worked aggressively to secure funding for the demolition of dangerous, blighted and abandoned structures in our neighborhoods. The attached list reflects the properties that have been cleared and are currently under contract to be demolished by the end of the year.

****Please note that this list does NOT reflect ALL the structures that the City is aggressively working to clear for demolition. There are more structures that are in the clearing process and the list will be updated as more structures are cleared and under contract.***

If the property that you are concerned about is not reflected on this list and you'd like more information as to the status of the property you can contact: DEPARTMENT OF COMMUNITY & ECONOMIC DEVELOPMENT (313) 252-0050 EXT 234.
